MEMORANDUM FOR: Director of Central Intelligence  
Deputy Director of Central Intelligence

VIA: Chairman, National Intelligence Council

FROM: MG David W. Einsel, Jr.  
National Intelligence Officer at Large

SUBJECT: US-Soviet Bilaterals on CW Proliferation

1. On 30 January, Secretary Shultz asked Ambassador to Moscow to approach Soviets proposing a two-day bilateral US-Soviet meeting during first-half of March to begin dialogue on CW proliferation, as agreed in the summit joint statement. Shultz proposed Moscow, Washington or neutral capital other than Geneva as site.

2. John Hawes, Deputy Assistant Secretary for Politico-Military Affairs will head US delegation.

3. From an intelligence viewpoint, [redacted] and myself believe we'll need to gather and summarize our technical capabilities/limitations for the policymakers on such questions as:

[redacted]

4. There will be a premium on our taking a position on items such as paragraph 3, prior to the NSC, State and ACDA proposals, because once their proposals are published our capabilities/limitations will quickly be accused of either supporting or limiting their proposals.
